Our new programming for the Infinity B.O.L.D. Elites will be split into (4) 4-week sessions working on each participant from the inside out. The schedule is subject to change. We will also be incorporating our Elite Teen Talk (ET<sup>2</sup>) into the curriculum so that we can help other teens and parents/guardians of teens with tough topics such as teenage pregnancy, peer pressure, suicide/cutting, teen violence and more. We are not in any way, shape or form portraying to be a group of therapists; however, we actively utilize this platform to allow our teens to be honest and unbiased about real situations in hopes of helping someone else.

### **Mission Statement**

*The Infinity B.O.L.D. Elites is NOT a competition dance/cheer team... We are a team of dancers and cheerers who inspire one another to be the best version of themselves! We do not judge our sisters. We encourage them and uplift them. We will not gossip and entertain negativity, instead we will communicate our concerns and discuss solutions as the queens of whom raised us would expect and whom we strive to be more like. Finally, we will be B.O.L.D. in all that we do by **Becoming One Living Disciple** in our everyday walk, knowing that this does not mean we will be perfect, but it does mean that we will be better tomorrow than we were today. We will not be ashamed to ask for help, walk away from situations that do not identify us appropriately and love one another as sisters!*
